Solterreno is a Retreat centre located about 1km from the typical Spanish village of Benimaurell (La Vall de Laguar) It is perched on terraced land surrounded by cherry and almond trees with amazing views to the sea some 20km away making it the perfect location to immerse yourself in your Training Retreat, while at the same time taking time out to re-tune to your own body, mind and spirit. <https://solterreno.com>

La Vall de Laguar -

Means "place of many springs" and refers to the region made up of three villages; Campell (Poble de Baix), Fleix (Poble d'Enmig) and Benimaurell (Poble de Dalt) as well as including the Sanatorio San Antonio de Borja de Fontilles.

The area lies within Marina Alta in the north of the province of Alicante and is some 500m above sea level. It sits between two sierras; on one side we have the "Barranco del Infierno" gorge formed by the passing of the river Girona and on the other, like a huge green sleeping horse is the "Sierra del Cavall Verd and the Sierra del Penyó (800 m)

Solterreno is just 25kms inland from the coastal town of Denia (35min by car) and approximately 116km from Alicante airport and 129km from Valencia airport. It has a typical Mediterranean climate with mild winters and hot summers, softened by the influence of the sea, on clear days you can see all the way to Ibiza. Although close to the coast

it is a long way from the noise and crowds, closer to nature and peace and quiet.

Our Retreats start with an Introduction and Presentation on the arrival day so please be at Solterreno Retreat Centre well before 18.00hrs.
