Mindfulness MBSR Meditation Teacher Training course
with Mindful Academy Solterreno
At Solterreno Retreat Centre, a mountain Retreat Centre in Spain.

A professional and accredited Residential Teacher Training Retreat
in 2 modules, in English.
Facilitated by Bodhin Philip Woodward

Our accredited MBSR Meditation Teacher Training course is based on the work of Jon Kabat-Zinn's highly acclaimed Mindfulness based Stress Reduction (MBSR) programme at the University of Massachusetts Medical Centre, Mindfulness Based Cognitive Therapy (MBCT) developed in the UK and Canada by Mark Williams, John Teasdale and Zindel Segal and Mindfulness Based Pain Management (MBPM) by Breathworks UK. As a professional Teacher Training School we also support the Good Practice Guidelines for teaching Mindfulness-based courses.

The MBSR Meditation Teacher Training course is taught by Bodhin Philip Woodward a MBSR/MBCT Teacher, Breathworks Meditation Teacher and Senior Yoga Teacher with Yoga Alliance who meets the requirements of the Good Practice Guidelines for Trainers of Mindfulness-based Teachers published by the UK Network of Mindfulness-based Teacher Trainers.

The course has been set out to exceed the industry Good Practice Guidelines and Teacher Training Pathway requirements. Each module has 100hrs of contact with Senior Mindfulness Teacher Bodhin and our aim and objective with the TTR1 MBSR Foundation course is to support your teaching development so that you have the skills and confidence to teach the foundation MBSR practices, to gain an understanding of the history of MBSR as well as many different subjects including research and changes to the brain due to a meditation practice. This journey will also deepen your own practice.

The MBSR Meditation Teacher Training course is ideal for Meditation practitioners, Yoga and Meditation Teachers, Nurses, Teachers, Therapists, Doctors and other professionals with a mind-body focus who wish to incorporate mindfulness into their professions.

The MBSR Meditation Teacher Training course is taken in 2 modules and on graduation of the full 200hr course you will have the skills and confidence to teach Mindfulness based Stress Reduction MBSR classes, MBSR 8 week Stress Reduction courses and private MBSR classes that empower people to make a real difference to their lives.

The course will include the following areas of study -

Full 200hr Course content (TTR1 & TTR2) – Overview -

The Two Modules includes extensive practice and training on how to teach all aspects of MBSR Mindfulness-based Stress Reduction Meditation, giving you the skills and confidence to teach both MBSR Meditation core practices including Mindful Movement and the Mindful Academy MBSR 8 week Course.

Teacher Training Retreat Module 1 (TTR1) the focus of this foundation course is to deepen your personal practice and learn how to teach the MBSR Meditation core practices, (see more details below) We will also explore the theories and intentions of the enquiry process as a core element of MBSR and MBCT and practice enquiry in small groups. In a safe and nurturing environment we will assist you in cultivating your skills and you will receive feedback from Bodhin to support your development.

In Teacher Training Retreat Module 2 (TTR2) you will both deepen your own practice and learn specifically how to teach all elements of the 2.5hr MBSR weekly sessions of the Mindful Academy 8 week MBSR Meditation course using the provided 8 week MBSR lesson plans and MBSR Participant Handbook. You will also learn Meditation Inquiry skills and practice relating to the theme and learning focus of each session. On graduation we give you permission to print the MBSR Participant Handbook for your own business use. ATTENDANCE

To graduate as a certified MBSR Meditation Teacher with Mindful Academy you must attend both of the residential, 11 day retreats called TTR1 and TTR2, and reach the required standard of teaching.

- These courses are NOT attendance courses and to graduate you must have reached required levels of competence in mindfulness based class based teaching during course assessments
- TTR1 counts as ongoing Continued Professional Development (CPD) and as such can be taken as a stand alone course for those wishing to include the core practices of MBSR Meditation into their professions.

EVALUATION PROCEDURE & GRADING CRITERIA

The evaluation procedure will be ongoing. During seven out of ten days the students will receive training on delivering the core meditations in the morning and every afternoon students will practice guiding the same core meditations in small groups. During these practicals the students will be assessed and feedback given using the Mindfulness-based Meditation Teaching Assessment Criteria or MBI-TACs.

<http://mbsr.website/mbi-tac>

These criteria were developed by trainers at CMRP Bangor in collaboration with colleagues at the University based mindfulness centres in Exeter and Oxford and also further development by Mindful Academy. The mindfulness-based master's programmes within the UK use these criteria to assess teaching practice skills, and they are also being adopted by training organisations in Europe and the USA.

Our course has been set out to exceed the industry Good Practice Guidelines and Meditation Teacher Training Pathway requirements.

REQUIRED PRE COURSE STUDY

MBSR Pre-course study.

Reading the 4 pre-course books (2 per training)

Completing pre-course MBSR Meditation practices using the MP3's provided with completion of a Reflective MBSR Journal.

With the provided TTR1 Pre-course study guide, you are asked to undertake both Personal and Professional preparation as part of your Teacher Training Pathway (TTP)

Personal Practice -

To help you deepen your personal practice, please listen to all the MP3's. We would recommend that you spend a week with each before moving onto the next. The guide also includes some suggestions on keeping a Reflective MBSR Mindfulness Meditation Journal as we recommend you journal on your experiences after each practice. This self-study is part of the required training hours and goes towards your graduation certification. It is to help you prepare for the course so please complete the assignments and we also ask that you increase your daily mindfulness practice to 30-45 min/day between now and the course

2. Professional preparation -

We have also given you access to a copy of our MBSR Meditation Scripts which is one of the documents you will be using during this TTR1 Foundation training. Please download it from the same page. You don't need to print the scripts as we will be giving you a copy on arrival in Solterreno, however please take time to read and absorb the following sections -

- Notes on Guiding Mindfulness Meditation Practices and
- Key Learning and Elements to consider when Guiding Meditations.

To help your prepare for this, after reading the first section of the scripts as outlined above, you should also practice guiding out loud to family and friends before you arrive as this will help grow your confidence and prepare you for the course.

During the final 8 weeks run-up to the TTR1 and TTR2 you will also receive a weekly email from us to help you focus on preparation for the course.

In addition to the self-study, and in order to adhere to the Mindfulness Best Practice we strongly recommend you sign up for **Supervision sessions** as part of your preparation to support both your own practice and teaching practice. In particular, a session on receipt of the pre-course study information would be beneficial to get you started. For more information, please visit <http://mbsr.website/supervision>

Please remember that participation on a Teacher lead MBSR Meditation 8 week programme over 8 weeks is a requirement of the Meditation Teacher Training Pathway

ACCREDITATION

On successful graduation from both modules you will be authorised to use the letters AMT (Accredited MBSR Meditation Teacher) and be eligible to join our registry of MBSR Meditation Teachers. Principals

Mindful Academy Solterreno recognises that complaints are an important part of customer's feedback.

- All complaints will be investigated fully and fairly.
- Complaints will be dealt with in confidence. The only exception to this is when others could be put at risk by matters referred to in the complaint.
- If the complainant is not happy with the result of the response to the complaint, they will have the right to appeal to the teachers' industry body such as Yoga Alliance Professionals.

Mindful Academy is committed to ensuring that its services, products and courses are of the highest quality. The complaints procedure enables Mindful Academy to respond clearly and properly to complaints and to know when and why people are not satisfied with its services and courses, so that they can improve them.

Complaints about Mindful Academy Solterreno MBSR Mindfulness Meditation Teacher Training Course

There are three stages that you can follow to try to resolve the issue. We will always try to resolve any complaint as soon as possible.

You may wish to involve an advocate, friend or someone else to support you at any stage. If you need a sign language or community language interpreter, please let the person dealing with the complaint know and every reasonable effort will be made to provide it.

Stage One:

Speak to the individual(s) concerned and try to resolve the complaint informally on the day.

If you are not satisfied with the response you have received, try to resolve the issue by following stage two.

Stage Two:

Outline the details of your complaint by letter or email and send it to the Bodhin Philip Woodward, Director of Training at bodhin@solterreno.com who will investigate the complaint. Your complaint will be acknowledged within 3 working days from the date it is received. The response will contain the following information:

- Name of the person who will investigate the complaint
- The date(s) that the incident happened
- What support you can expect to receive during the process of the complaint
- An expected response date

In fairness to all parties and to ensure the investigator is able to investigate the complaint in an open and meaningful way, we cannot guarantee your anonymity. In exceptional cases, however, where a child or vulnerable adult is involved, in accordance with national guidelines and good practice the identity of individuals at risk will be protected.

When the person(s) who are dealing with the complaint, have had an opportunity to review it, they will write to the tutor or person about whom the complaint has been made. The letter will outline the main elements of your complaint and ask for a full written response.

At this point, if further relevant information comes to light, you may be asked for your comments to ensure the investigator has a balanced understanding. When your response has been received, the investigator will consider all the information available to them and make a decision.

The response will include the following information:

- Details of the investigation
- A decision about whether the complaint was upheld or not
- The reason for the decision
- The re-dress, if appropriate, which will be offered to you, for example, an apology, additional help or directing you to other sources of advice or support
- Any other action that may be taken in light of the complaint
- If it is not possible to provide a full answer to your complaint within 30 working days, the letter will outline reasons why and give a date by which a full answer is expected.

Stage three:

If you are not satisfied with the response to your complaint then outline the reasons for your dissatisfaction by letter. Email this to Yoga Alliance Professionals (if the teachers are Yoga Alliance Professionals accredited). This information will be provided in response to Stage two.
